Introduction

Lockdown procedures are a sensible and proportionate response to any external or internal incident, which has the potential to pose a threat to the safety of staff and children in preschool. Procedures should aim to minimize disruption to the learning environment whilst ensuring the safety of all children and staff.

Ladybirds lock-down procedure aims to ensure that all children, staff and preschool users remain in a safe and secure location in the event of a possible personal threat and that the exposure to danger and possible risk of harm are minimized.

Lockdown procedures may be activated in response to any number of situations, but some of the more typical might be:

A reported incident / civil disturbance in the local community (with the potential to pose a risk to staff and pupils in the preschool).

An intruder on the site (with the potential to pose a risk to staff and pupils).

A warning being received regarding a risk locally, of air pollution (smoke plume, Gas cloud etc).

A major fire in the vicinity of the preschool.

All parents/carers, staff, students and volunteers will be aware of this procedure.

Guidelines:

For staff:

- Move slowly**
- Obey instructions**
- DO NOT PROVOKE AN INCIDENT**

The following three stages must be followed:
